This park was developed from part of the former US military Yamato Base. Inside the park is the station for the former Hitachi Aircraft Tachikawa, a Higashiyamato City cultural asset where you can also enjoy seasonal flowers in the Peace Square. You can observe seasonal flowers in Heiwa Hiroba. And you can enjoy contact with nature all seasons.

Exercise facilities

In addition to a fee-based tennis court and baseball field, There are fee-based tennis courts and baseball field, multipurpose exercise field to be usable in gate ball, running and so on. The Higashiyamato city gymnasium and swimming pool are also in the park.

Tulips and former substation

Tennis Court

Yellow leaves in the athletic field

Tree groves

Many plants such as Quercus acutissima and Quercus serrata are planted in this area. The new greenery of spring and colored leaves of autumn are particularly beautiful, and lots of acorns can be found around them.

This building in the park is a historical war-damaged building (powerplant for the former Hitachi Aircraft Tachikawa Plant), designated a Higashiyamato City cultural asset. The numerous holes in the walls are from machinegun strafing by fighters and bombing during World War II.
