from Kitasenjiyu (JR line, Metro Chiyoda line, Hibiya line, and Tobu Isesaki line),

This park has sports facilities and multi-use fields. It was built on the site of Asahi Denka's Ogu Factory.

The section currently open has an open field, clover field, and other facilities.

Artificial stream for small children are used many people during the summer.

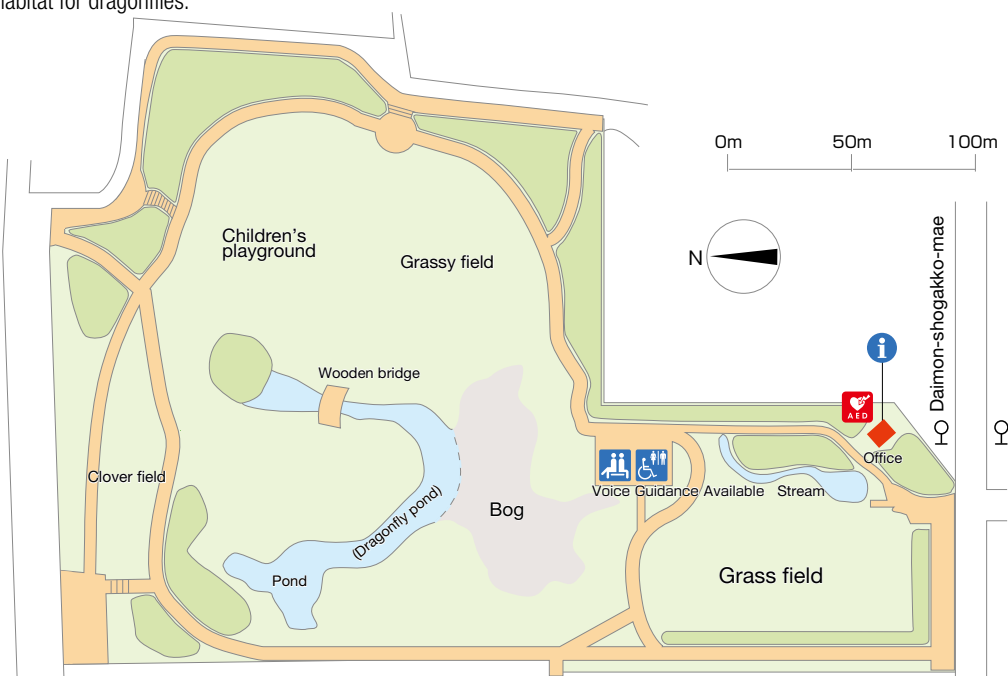

Weeping cherry trees are being planted across the park. Now this park is a major cherry blossom viewing spot and various events are held here every spring.

Weeping cherry
