A playground, sports field, and other facilities lie on the left bank of Sengawa River. The sloping right bank has an open field and green area.

It opened on June 1, 1975 with an initial 10 hectares centering on what was once the University of Education's agricultural field that was within the planned grounds. Further development will be ongoing.

Play field

A slide, swings, and a sandbox are located in this field surrounded by trees. It is always lively with children and their parents playing.

Tennis courts

Artificial turf covers the four courts.

Other attractions

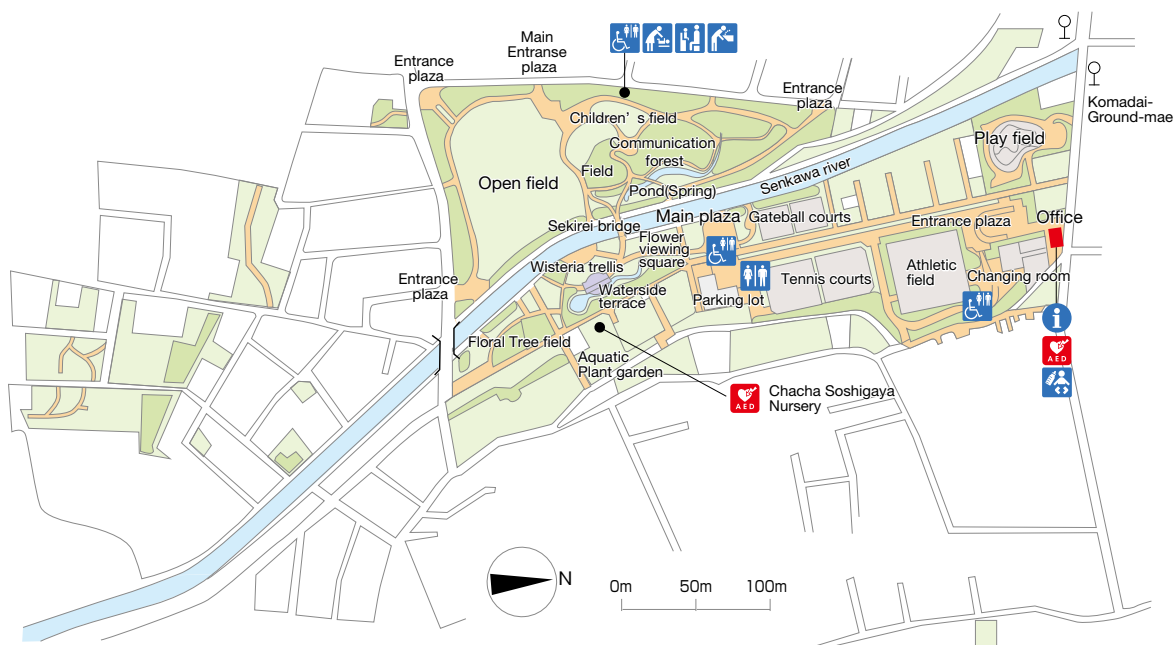

There are waterside terrace and croquet fields (2 areas) along the Sengawa river.
