- Contact Information      Ojima Komatsugawa Park Administration Office tel: 03-3636-9365 (9-9 Ojima, Koto-ku 136-0072)
- Transport      15-minute walk from Funabori (Shinjuku line). 13-minute walk from Nishi-Kasai (Tozai line).  
Toll parking facilities available (24 hours).

The park also has a full range of disaster prevention facilities such as a disaster well. Furthermore, it can be used as an evacuation center case of disaster.

Edogawa Ward Gyosen Park, adjacent to Ukita Park, has an animal park, Japanese garden, fishing pond, playground, and other facilities. The two parks together provide a venue for all sorts of fun activities.

### Seasonal flowers

Some of the flower beds in this park are joint projects with the residents in the area. Visitors are able to enjoy the flowers of four seasons thanks to the cooperation of volunteer park workers.

Garden Park

### Play area for having fun

This play area is equipped with a youth baseball field surrounded by net fencing so children can play safely. There is also a playground with slides and swings, which makes this a popular area for children to run around and have fun.
